PSD (Personal Security Detail) Level 4 – Lebanon

There will be a unique opportunity for us in June, Personal Security Detail level 4 and Convoy Routines training in Beirut, Lebanon! This specially designed advanced course take place in real conflict conditions to familiarize candidates with unforgiving operations environment and on-duty task activities related to security & defense missions in the Middle East.

The training ends with a protective mission in real conditions. The number of places is limited. 6 days of real, armed, armored convoy, reconnaissance training, ending with a sharp mission!

Those involved in the existence of the PSD should thoroughly dig into themselves. There is a huge amount of work and preparation to be done before completing a mission. Planning, preparation, reconnaissance, observation, team building, preparation. And the execution itself. Weapons, cars, driving techniques and methods, weapons handling, emergency solutions, formations, evacuation. At the end of the training, a real 24-hour mission in Beirut! Closing the Highfield Elite Bodyguard Exam. And that's not the whole list.

Anyone who already has level 4 PSD paper will be issued another Highfield certificate, depending on their performance. As well as the "live mission" on land and water! It will be a whole new challenge!

What we ask for:

- Registration form completed and signed (attached below)
- Copy of Passport
- CV
- Clean Criminal Record
- Payment of a deposit (€ 500) and proof of payment
