Urban Weaponry and Combatives Course, Lebanon

Júniusban kezdjük a nyári képzéseket. Ennek az első áéépmása a libanoni, bejrúti combat képzés lesz. Egy rapid, gyors, fegyveres képzés. 3 nap teljesen a lőtéren, és 1 nap közelharc, pusztakezes, fegyveres, késes, lefegyverzési technikákkal, force on force tréninggel.

Az ESA libanoni instruktorai mellett, a libanoni különleges erők kiképzői is tréningezik a csapatot. Nem tanult, másoktól hallott technikák, hanem élesben kipróbált, valós tapasztalatra alapozott megoldások, drillek lesznek terítéken. A libanoniak születésüktől harcolnak, a résztvevők ebbe fognak belelátni. A napi, hosszú, fárasztó edzések után a libanoni kultúrát is megismeri majd a csapat, házigazdáink gondoskodnak majd róla. Ételek, életmód, az életvidámság ugyanúgy a részei a mindennapoknak, mint a fegyverek.

Amit mi kérünk:

- regisztrációs lap kitöltve és aláírva (lentebb csatolva)
- útleveél másolata
- önéletrajz
- büntetlen előélet
- deposit befizetése (500€) és ennek az igazolásának megküldése. Regisztrációs lap és megküldése után küldöm az ESA közel keleti számlaszámát, eurós, uniós számlaszám.

Mivel a helyek limitáltak a képzés jellege és helyszíne miatt, érkezését sorrend van, annak biztosított a helye, aki hamarabb rendezzi a dokumentációt és a deposit befizetését.

A résztvevők hivatalos ESA meghívót kapnak a képzésre benne az engedélyekkel. Lezárás alatt is lehet utazni az ESA képzésekre, valamint az ESA diploma mellé, libanoni biztonsági cégtől referencia is megszerezhető a jó teljesítményt nyújtóknak. Ezáltal még egyedibbek a kurzusaink, hiszen valós, munka referencia kapható.

Lentebb a teljes leírás. Aki hamarabb jelentkezik, az kerül bele a nemzetközi csapatba.

Urban Weaponry and Combatives Course, Lebanon

In June, our first summer hostile training will be in Lebanon. A rapid, armed training. 3 days completely on the shooting range and 1 day melee, bare-handed, armed, knife-disarming-fight techniques, force on force training.

In addition to ESA's Lebanese instructors, Lebanese special forces trainers are also training the team. There will be no techniques learned, heard from others, but solutions and drills that have been tested in real life and are based on real experience. Lebanese have been fighting since birth, and participants will see this. After a long, tiring day of training, the team will get to know the Lebanese culture and our hosts will take care of it. Food, lifestyle, cheerfulness are just as much a part of everyday life as weapons.

What we ask for:

- registration form completed and signed (attached below)
- copy of passport
- CV
- Clean Criminal record
- payment of a deposit (€ 500) and sending proof of this. After submitting the registration form and sending it, I will send the ESA Middle East account number. EUR account inside EU.

As places are limited due to the nature and location of the training, there is an order of arrival, the place is provided by the person who arranges the documentation and payment of the deposit earlier.

Participants will receive an ESA diploma, a reference from a Lebanese security company for high-performance providers. This is a really unique chance. Training and work related reference letter.

Below is the full description. Anyone who registers sooner will join the international team.
